

# Dining with the League

What do Leaguers like better than great discussions and great friends?

## Great food!

Join us and bring your friends as we host a series of dinners to benefit the League. Gather with old friends and meet new friends, while enjoying a meal in the home of Leaguers. Here's what we have planned:

- October 17:** A Cornucopia of Fall's Bounty at the home of Sherry and Jon Hyman (6 people)
- January 16:** The New Year Brings Warmth and Comfort at the home of Tracy Miller and Paul Arnest (8 people)
- February 13:** Birthday Party for the League at the home of Becky and Ralph Rigger (10 people)
- March 27:** Winter's End, Spring's Beginning at the home of Marjie and Michael Slater-Kaplan (10 people)
- April 25:** Sunday Afternoon Tea at the home of Barbara Ensor (12 people)
- May 6:** Spring Garden's Harvest at the home of Caroline Seamon (7 people)

Menus will be available a month before the event. Each will cost \$30 per person, which will go entirely to benefit the Baltimore County League of Women Voters Jessa Goldberg Education Fund.

If you're interested, email Tracy Miller at [Quita@comcast.net](mailto:Quita@comcast.net). Please specify the meal you'd like, confirm the date, and give contact information so that we can confirm.
